

Important Facility COVID -19 Information

As of 5/28, Governor Phil Murphy has lifted the indoor mask mandate in public spaces, as well as the six-foot social distancing requirement in both indoor and outdoor spaces. Additionally, effective Friday, June 4th the indoor gathering and capacity limits will be lifted.

- **In accordance with CDC recommendations, vaccinated members and guests will no longer be required to wear masks. However, any member who wants to wear a mask is encouraged to do so.**
- **Individuals who are not fully vaccinated should continue to wear masks in indoor public spaces, except when on a fitness machine, swimming, involved in active play in the gym or taking a fitness class.**
- **In addition, we will no longer be taking temperatures. We do ask those who are ill or exhibiting any symptoms of COVID-19 refrain from coming to the JCC. As always, we will continue to keep our facilities safe and clean according to CDC recommendations.**
- **Club J All Day, the Blaustein Early Childhood Center and J-Cares continue to follow their own licensing requirements. Any changes to those licensing requirements will be communicated to participant families by the respective JCC Program Staff.**

Most importantly, please keep in mind that the JCC is a family friendly facility. Many of our youth have not been vaccinated and that everyone, regardless of age, may respond to this new transition at a different rate depending on their comfort level. Therefore, we continue to ask our members, guests and visitors to be respectful of the individual choices, safety and welfare of others around you.

If you have any questions, please contact our Welcome Center at 908-443-9018.
