

Important Facility COVID -19 Information

- **In accordance with CDC recommendations, vaccinated members and guests will no longer be required to wear masks. However, any member who wants to wear a mask is encouraged to do so.**
- **Individuals who are not fully vaccinated should continue to wear masks in indoor public spaces, except when on a fitness machine, swimming, involved in active play in the gym or taking a fitness class.**
- **We ask those who are ill or exhibiting any symptoms of COVID-19 refrain from coming to the JCC. As always, we will continue to keep our facilities safe and clean according to CDC recommendations.**
- **The Blaustein Early Childhood Center, J-Crew After School Program, and J-Cares continue to follow their own licensing requirements. Any changes to those licensing requirements will be communicated to participant families by the respective JCC Program Staff.**

Most importantly, please keep in mind that the JCC is a family friendly facility. We continue to ask our members, guests and visitors to be respectful of the individual choices, safety and welfare of others around you.

Please contact our Welcome Center at 908-443-9018 with any questions.
